Trouble?

Need Help Communicating with Driver?

Call us on 6162-6506 daily 09:00-18:00 (or 6162-6282 at other times).

Transfer Quality Issues?

Our transportation provider has committed to provide serviceable, safe, clean, and odor-free vehicles with skilled and professional drivers who are well-groomed, attired appropriately, and attentive to the needs of passengers. Please let us know if your experience doesn't meet these standards in any way.

Need Another Itinerary or Have Other Special Requirements?

Ask us and we will do our best to help arrange. For example, same day round trips from/to Beijing are available through our transportation provider. For transport in our nearby four villages we offer complimentary rides on a space available, first-come first-served basis, when our drivers are on-duty. For local itineraries we may be able to put you in contact with suburb-based taxis or private cars and you may negotiate prices yourself and take the conveyance solely at your own risk.

The Fine Print

The Schoolhouse and Brickyard arrange transfers solely as a courtesy for guests. Guest and all passengers take the conveyance solely at their own risk and accepting transport shall constitute waiving all claims against The Schoolhouse and/or the Brickyard respecting the transfer. Cancellations without notice shall be for the account of the guest. All pricing and services subject to change without notice. **Guests are welcome to arrange their own taxis or other private vehicles directly and the total costs may be significantly less than our transfers service for which we have to include margins for our business and the transportation provider in order to sustain the service.**
